The Eyrie

[See details](#)

# The Eyrie

The Eyrie is situated high up in native bush overlooking the ocean, and out to Waitangi, Paihia and the Islands of the North. From the expansive outdoor living area, you can watch the sunset, and enjoy the stunning views of the Bay of Islands.

This luxury villa is perfect for three couples or a family, and features original artwork and contemporary design. The gourmet kitchen overlooks the private and secluded courtyard, surrounded by tropical plants and alive with native birds.

## Welcome to the world's ultimate luxury retreat

Eagles Nests five luxurious villas nestle into an extravagantly beautiful island-like peninsula along a ridgeline that drops into a valley -- reminiscent of a huge nest.

Ancient eagles once soared in these pristine skies. As amazing architects and creative interior designers, they built their homes where now sit the ultra luxurious nests of the human variety, where gracious, unobtrusive yet attentive Kiwi staff cater to your every whim.
